*50<sup>th</sup> Anniversary  
Reunion Committee*

August 1, 2011

Aloha Classmates,

In November, 2007, we held an initial planning meeting to discuss two traditional events involving our class, our school and the celebration of our 50<sup>th</sup> Anniversary in 2012. The planning for the first event---our participation next year in a special ceremony commemorating the 50<sup>th</sup> Anniversary of our graduation from Saint Louis School---is well underway. A letter was recently mailed to all classmates outlining what we are scheduling for this important anniversary event which will take place on May 26, 2012.

The second event is the presentation of our 50<sup>th</sup> Anniversary Class Gift to our school on this same day. And this gift is the subject of this letter.

Anyone visiting our school today will note an aging infrastructure in need of repair, renovation and facility upgrades. The administration is doing much to obtain the capital for needed improvements; however, the requirements are many and our school can use as much as we can give.

At a meeting in January of this year, our class agreed on a gift objective of \$100,000. Our analysis of multiple factors led us to the conclusion that this was a realistic, achievable target. As of July 13, our pledges, including the Alumni Golf Tournament proceeds, totaled \$62,091 with \$57,240 collected. We are more than halfway there; however, only 10 months remain to raise the additional \$38,000.

We need the help of all classmates, and we ask that you consider the following:

- If you are planning to give but haven't decided when, we ask you to give now rather than later.
- If you are planning to give but purposely delayed your gift, we understand the strategic motivation of your decision, and welcome your gift in 2012.
- For those of you who are still employed, please see if your Employer will provide a matching donation.

- If you are a contractor or friend of a contractor, please call us to arrange for an exchange of services with the school for credit towards our Class Gift.
- If you are aware of organizations that might be willing to donate, please encourage them to do so.
- And for those of you who have already given, *mahalo nui* for your gift. If you are considering an additional donation, thank you in advance for your generosity and concern for our school.

“It is not in numbers but in unity that our great strength lies” (Thomas Paine, 1776). A collective effort by our class is needed to make this work. We need everyone’s help. Please consider a donation now, and *mahalo* again to those of you who have already given.
