

## **Saint Louis Class of 1962 Coffee Mugs**

All of the profit from Mug sales, which Jacob Vasconcellos will customize & mail @ cost, will go directly to the Class of 1962 Gift Fund. As a result of Jake's generous investment, the Mugs are competitively priced to generate volume sales.

Wouldn't a set make a great Christmas gift?!

NOTE: Because the Mugs are customized in gold, they are not microwavable.
